Greeting,

The Milwaukee Brotherhood of Firefighters, (MBFF) is a community based, nonprofit organization composed of African American and Minority Firefighters within the Milwaukee Fire Department. Our focus is to continually uplift and improve the community in which we serve, through fire education, mentoring services, and other community outreach initiatives. However none of our endeavors would be possible if it weren't for the generous support from local businesses and organizations that help promote the MBFF's mission of making the community a better place.

The Milwaukee Brotherhood of Firefighters established a scholarship initiative that awards at least (2) \$1000.00 scholarships to deserving citizens entering into the field of A DEGREE IN FIRE SCIENCE, HEALTH SCIENCE AND/OR EMERGENCY MEDICINE AT AN ACCREDITED INSTITUTION. All of our funds are driven by donations and fundraising. This year our goal is to award \$4,000 in scholarships and with the support of our community partners we feel confident that we will reach our fundraising goal.

This is why the MBFF welcomes your support with our latest fundraising efforts by creating a partnership with your organization. With your organization in our corner we have the support of a partner who shares a mutual vision for our community.

Please take a moment to consider our request and don't hesitate to let us know how we as an organization can benefit you as well. Feel free to contact us with any questions or concerns.

The Milwaukee Brotherhood of Firefighters would like to thank you for your time as we eagerly await your response.

Sincerely,

Kendria Donaldson
